## Scottish Scooping Map

### Porrelli Ice Cream

Porrelli have been producing Luxury Italian Style Ice Cream at their factory in Paisley since 1925.

### Giacopazzi Scooping

With over a century's worth of experience in creating premium, artisan Italian style gelato, their range is only made using locally sourced Scottish dairy products combined with the finest Italian fruit purees and flavourings.

### S Luca Scooping

Ice cream and family goes hand in hand, and the Luca family's passion for ice cream has ensured that families have enjoyed our ice cream for generations.

### Mackies Scooping

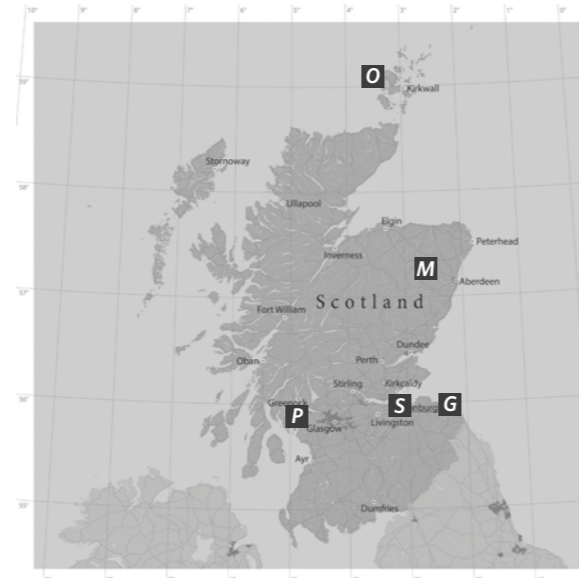

Mackies based in Westertown, Aberdeenshire generate renewable energy and grow crops to feed their cows, who provide the fresh milk and cream which we need to make Mackie's real dairy ice cream.

### Orkney Scooping

For as long as anyone can remember, Crantit Dairy, owned by the Bichan family on the wild and beautiful land of Orkney, has taken daily delivery of fresh, creamy milk from the local cows. There are few places in the world where the grazing is as pure and pollution-free as it is on Orkney and it shows in the richness of the cream. Orcadians have always known about the quality of our local produce but a few years ago we decided our cream deserved wider appreciation, so they started using it to make Orkney Ice Cream.

### Carte D'or Scooping

Carte D'Or began over 40 years ago as a restaurant deserts brand in Paris, proudly served by chefs in the home of gastronomie. That heritage of culinary expertise still sits at the very heart of what they do today. They combine the finest ingredients with decades of knowledge and skill to craft unforgettable desserts, for an unmatched ice cream experience.

**THE  
MACKIE'S CRISPS  
YOU LOVE  
ARE NOW  
CALLED  
TAYLORS**

The Taylor family has farmed in Errol, Perthshire for around 100 years – spanning four generations. We started making crisps in 2009, in partnership with the amazing Mackie family.

Our snacks range has grown since the noughties, with popcorn added in 2015, and lentil waves in 2019. In 2022, we worked closely with the Mackies to take on full responsibility for the snacks business under the Taylor family name. Mackie's of Scotland continue producing their award-winning ice cream and chocolate.

The Taylors name and branding has now rolled out across the entire product range, to reflect our family's ownership.
