APRIL
COVER

As the days get brighter, celebrate the new season with dishes full of spring flavours. Our front cover favourite this month is a Brown family favourite. Our J.Browns lamb racks are French trimmed, leaving beautifully clean bones that plate and present well.

Did you know it's British Beef Week this month?

85% of our J.Browns Craft butchers range is proudly Scotch and Scottish Origin. We understand that provenance and specification is everything. We want to be really clear about the origin, quality and maturation of each cut in our range. That's why all of our products clearly indicate origin in the name.

A top-down view of a dining table set with white crockery. In the foreground, a large white plate with concentric wavy ridges holds a roasted lamb chop, green peas, and a potato. To the right, a silver fork and knife are neatly placed on a white napkin. In the background, a smaller white bowl contains leafy greens, and a glass of red wine is partially visible. The table surface is dark and textured.
