BASED IN THE BORDERS

Based in the borders, our craft butchers pride themselves on their extensive knowledge and attention to detail. We specialise in both Scotch and Northumbrian Assured beef with full traceability. Not only do we recognise the importance of provenance and local heritage, selection and maturation of our meat is a priority.

Our strict selection process means we never compromise on quality and always guarantee a superior eat.

PREPARED WITH PRIDE

Every butchery order is hand selected and cut by one of our experienced craft butchers. It is then vacuum packed or wrapped to your requirements and carefully placed into a J.Browns Craft Butchers

box, to ensure it arrives with you in the best possible condition. In every box you will find a card confirming which butcher prepared your order.

"Its simple...All of our beef is matured for a minimum of 28 days. It has a deep red colour, characteristic of its time spent ageing."
